

Adventurer Family Camp – 2023
SECURITY & EMERGENCY PROCEDURES
LAKE WHITNEY RANCH

1. Bosque County Law Enforcement, Camporee Security personnel and Master Guide personnel will handle daytime patrol and monitoring
2. Bosque County Law Enforcement officers will be on duty at night.
3. Know where your Adventurers are at all times during the Camp. Please do not let your Adventurers wander off by themselves. A parent or guardian should be with your Adventurers at all times.
4. Directors, please carry a listing of all your Adventurers at all times, so you can make a roll call at any time, in case of emergency.
5. Please stay alert at all times. Be ready for ANY type of emergency: weather (high winds, storm, and rain), intruders, medical, animals (such as snakes or wild animals, etc.) PLEASE STAY ALERT!

Severe Weather

1. In case of a severe weather report Club staff should assemble their entire club and **take roll** to make sure the entire club is accounted for. Report to your Area Coordinator (or any Security Staff) that your club is accounted for. This procedure must take less than 5 minutes maximum.
2. If there is anyone missing in your group, please contact any Security Staff (or your Area Coordinator) as soon as it is safe.
3. Security Staff will be in charge of **evacuating Bathroom and Shower areas**, as well as the **various Event Locations**. They will instruct individuals to join the rest of their club. This procedure must take less than 5 minutes maximum.
4. If there is lightning, be cautious in using your cellular phone.
5. Please do not panic. Encourage your club to stay calm as they make their way to the appropriate locations or wait for further instructions.

Tornado:

1. As quickly as possible take cover by dropping to the ground to the lowest level you can find.
2. Lying face down to the ground, place your hands over your head to cover the back of your head.
3. Stay low on the ground until everything is all clear.

Severe Rains or Storm:

1. If secure, take cover in your own tent or eating structure.
2. Monitor your tent to make sure water is not coming in.
3. Stay together as a group.
4. Do not touch any live wires, for any reason.
5. Should conditions under the tent or eating structure become dangerous, proceed to personal vehicles or buses and remain there until given the "all clear".

Lake Whitney safety flag codes

1. Red-fire
2. Purple- tornados
3. Black-thunderstorms
4. Yellow- high winds
5. Royal Blue- chance of storms
6. White-heat advisor

In Cases of Injury:

1. During severe weather the designated "Triage" assembly points are the Shower Trailer area. If the wounded subject is mobile, please bring to the shower area for treatment or evacuation.
2. If the wounded subject is not mobile, please immediately contact a Security Staff member or law enforcement personnel and they will contact Emergency Medical to bring treatment to the wounded subject. DO NOT CALL 911! Those 1st responders will already be on site.
3. DO NOT BEGIN DRIVING PERSONAL VEHICLES IN THE CAMPGROUND. This will only slow the emergency response and treatment of the wounded subject.

We want to make sure our youth and staff members are safe at all times. If you need to report a problem, look for one of our Security Staff who is wearing a radio and/or security vest.

Thank You,
Charlie Hernandez, Security Director
